Vapor Pro FX End of Manufacturing & Service Notice

January 25, 2018 By AMETEK Brookfield

Thank you for your support of the Computrac® brand of moisture analyzers.

Due to low availability of components, Arizona Instrument will discontinue manufacturing and repair services on these instruments effective **May 31, 2018**.

- **Computrac® Vapor Pro® FX (CT-4100 and CT-4100-L) Moisture Analyzer**

Extended warranties for instruments included in this end of manufacturing and end of service announcement will remain available for purchase until **May 31, 2018**. Instruments with extended warranties current as of **May 31, 2018** will be serviced according to the terms of the warranty. Arizona Instrument will continue to provide calibration services for Computrac® instruments included in this end of manufacturing and end of service notification. However, if an instrument covered by this notification is sent in for calibration and then found to be in need of repair, we will not be able to provide calibration services.

Visit our [Computrac product page](#) for more information on our current line of moisture, solids and ash analyzers, including the **Computrac® Vapor Pro® XL**.

Thank you for your continued support. If we can help you with any questions, please contact us online, call us at 800-528-7411, or email us at customerservice.azic@ametek.com.

Sincerely,

Rick Ervin | Sales Manager
